36th Rescue Flight helicopter hoists one of two medics out of the water in a simulated rescue training exercise with Priest Lake Search and Rescue.

learned that its primary mission was to develop and maintain a professional, general and technical level of search and rescue for the Priest Lake community and to assist the Bonner County Sheriff's Office with its search and rescue responsibilities.

It takes money to provide an immediate response force of well-trained and properly equipped volunteers to assist lost persons injured or in distress within the area and to serve the public welfare in any disaster or emergency.
